A LIFE SENTENCE STARES BURGLAR IN THE FACE

Sheridan Johnson, of Color Confesses to Breaking into two Hartford Stores.

Sheridan Johnson, a transient darkey, who had been making his home in Hayti, for the past year, broke into the Hub Clothing Co.'s store, Main street, Hartford, on Sunday night, September 19th, and stole several dollars worth of gents' furnishing goods and who also broke into Jeweler J. B. Tappan's store on last Wednesday night, was arrested at Horse Cave last Thursday evening riding the "blind baggage."

When arrested the marshal found a pistol and black jack concealed on his person. He likewise had quite a good deal of the stolen goods with him enroute to Nashville, Tennessee.

When questioned by the officer as to where the numerous articles he had, came from he made a clean breast of his thefts.

The officer then telegraphed to Mr. Amos Carson, manager of the Hub Clothing Co., who in turn communicated with Sheriff S. O. Keown. Mr. Keown went to Horse Cave Friday and brought Johnson back to Hartford, where he was lodged in jail, and on the calling of the case yesterday the defendant waived examining trial and in default of bail was remanded to jail to await the action of the October grand jury.

The Hub Clothing Co. when seen by a Herald reporter was unable to give the exact amount of the loss, but thought that most of the goods—amounting to several dollars—had been recovered.

The retail price of Mr. Tappan's goods lost, amounted to \$90.50. However he recovered all but \$14.50 worth of goods and hopes to recover a \$12 kodak which the negro sold for \$1.

Nothing was said about the Hub Clothing Co.'s store being broken into for the reason the merchants wanted to try to catch the thief as there had been several stores broken into and petty thievery going on in town lately.

But Mr. Tappan, having had quite a little loss, decided to try bloodhounds. He first tried Mr. J. P. Stevens' and not being able to get the results he hoped for he telephoned to Mr. Chas. Griffith, of Sebees, Ky., who brought his two dogs over. They took a trail which went from the rear of Mr. Tappan's building to Main street, down Main street, near to and up the river to the old water mill where it was lost at the river's edge. However Johnson claims he did not leave town that way, but instead went down the pike leading towards McHenry. He claims to have boarded a freight train at Williams Mines and went to Cecilia and across to Elizabethtown and the next day down the L. & N. on "blind baggage."

Johnson having heretofore served a term in the penitentiary, should he be convicted on these two charges, and the fact is pleaded in the third, this would, under the law, put him over for life. In any event he will likely draw a long term in the penitentiary.

Heavy Assessments.

Britain's proposed war tax on incomes will cost Mrs. William B. Leeds \$250,000 a year. It is estimated. Other Americans, self-expatriated or who married Englishmen, also will pay heavily. The tax will cost W. W. Astor \$1,250,000 yearly; Lady Granard, \$100,000; Mrs. Beatty, wife of Admiral Beatty, \$200,000; Lady Waldstein, \$50,000; the Duchess of Manchester, \$50,000; the Duchess of Marlborough, \$25,000; and Mrs. John Astor, \$20,000.

Will Not Be Punished.

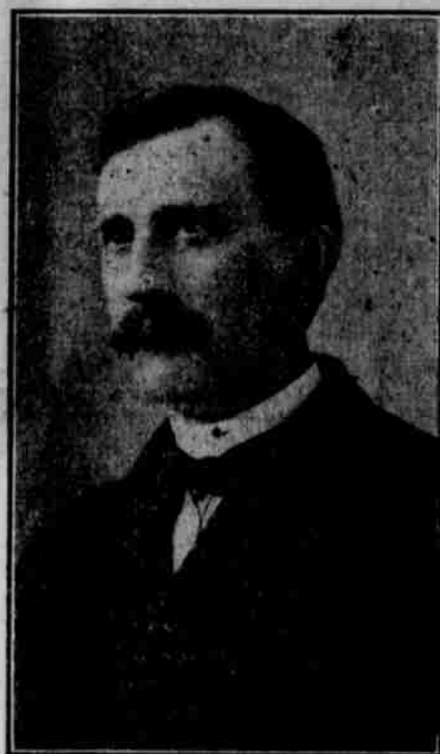

Washington, Sept. 24.—James F. J. Archibald, the American who acted as messenger for Dr. Constantin T. Dumba, Austro-Hungarian Ambassador here, probably will not be prosecuted by the Department of Justice. Examination of the papers relating to Archibald's activities has not been contemplated by the department, but some officials say there is no statute covering the case. As a result of the incident, however, it was said that Congress would be urged to enact a law to cover such cases.

INDIGNANT SOPHS BARBER ONE HUNDRED FRESHIES

Lexington, Ky., Sept. 24.—Tired of seeing freshmen roaming the campus and streets with haughty mein and hair like older classmen, the sophomores of State University to-night seized and sheared the heads of nearly a hundred first-year men, in defiance of the stringent order recently issued by the faculty classing forcible hair cutting as hazing and threatening expulsion as a penalty.

During the first few days of the new term the upper classmen, ostentatiously refrained from the customary shearing of freshmen, and the latter disgusted with the lack of attention, set in to cut the hair of their own classmen. This, however, lacked the zest and sporting spirit of the old-time way and soon fell into neglect, and as a consequence unsheared freshmen became a common spectacle.

The sophomores fretted under this and, posting detachments to-night on the viaduct leading from High to Main street, seized and roughly barbered every passing freshman whose hair looked nice, and then proceeded to the downtown student resorts, rounded up a number of other victims until the sidewalks in the vicinity were littered with tufts of tangled hair.

Has Executed Bond.

Terre Haute, Ind., Sept. 25.—Mrs. Jeremiah Bell, who shot her husband to death last week, has been admitted to bail in \$5,000. Mrs. Bell said that her husband had beaten her and that she told him she would kill him if he tried to beat her again.

She said he had inherited \$275 shortly before the shooting and had been drinking.

At the morgue when she viewed the body she leaned over and kissed her dead husband, saying: "It was all your fault; you brought it on yourself."

Stanley At Leitchfield.

Leitchfield, Ky., Sept. 24.—A. O. Stanley, Democratic nominee for Governor, spoke here to-day in the interest of his candidacy to a large and enthusiastic audience.

His address was along the line of his opening speech at Glasgow. He spoke briefly of his Republican opponent, but Col. Ed T. Franks, of Owensboro, who spoke recently, did not fare so well. Mr. Stanley was introduced by W. O. Jones, who was manager of Mr. McChesney's campaign in this county in the recent primary.

Card of Thanks.

Odin, Ill., Sept. 18, 1915.

We desire to extend our sincere thanks to the members of Rough River Lodge, Knights of Pythias and Acme Lodge Odd Fellows for the consideration and generous treatment given us during the long illness of our husband and father. Also to all the friends at Hartford who were so good to us on many occasions.

May God's blessings rest upon all of you.

WILL DISTRIBUTE RED CROSS CHRISTMAS SEALS

Two hundred million Red Cross Christmas Seals are now being printed and distributed by the American Red Cross and The National Association for the Study and Prevention of Tuberculosis, according to a statement issued by the latter organization to-day. The proceeds from the sale of these seals will go for the fight against tuberculosis in the communities where the seals are sold.

The organization of the Red Cross Seal sale this year will take in every State and Territory of the United States, including Hawaii, Porto Rico and the Canal Zone. By December 1st, over 500,000 workers, men, women and children will be engaged in the campaign.

The sale in 1914 broke all previous records, totaling over 55,000,000 seals, an increase of 22 per cent. over 1913. After deducting all expenses, this left nearly \$500,000 for tuberculosis work in this country. The money has been and is being expended by over 2,600 different agencies who benefited from the sale in amounts ranging from \$100 or less to over \$25,000. The American Red Cross announces that it will continue its previous successful policy of charging only 10 per cent. of the gross proceeds to State anti-tuberculosis associations, thereby encouraging local work.

Officers In Fight.

Huntington, W. Va., Sept. 25.—A running fight between revenue officers and alleged moonshiners during a raid on stills in the mountains of Mercer county was reported by United States Marshal, William Osborne, who returned here to-night. The officers seized two stills and destroyed nearly 1,000 gallons of mash. Chas. Graham and Lennis Wood were arrested and brought here, but three other men escaped after firing on the marshal's party. The officers replied, but none of the shots took effect.

Talk Is Cheap.

When you use the Farmers' Mutual Telephone Service but it does take a little money to pay expenses, more poles and wires along new pike and otherwise improve the service. So the Board of Directors have decided to discontinue service on October 1st to all who owe as much as two months rent, and then take necessary steps to collect up.

We have 146 phones and reach about 1,000 others in the county. Our finances are in good shape and we want to keep them so. Don't neglect; don't forget; Oct. 1, 1915.
